Amendment suggested

By way of inserting statutorily the following Sub-Rule (28) below the existing Sub-Rule (27) :

" (28) Not withstanding whatever stated here before, the Government shall be liable to meet the expenditures for payment of pension, family pension and other related pensionary benefits in the event of failure of Pension Trust to discharge such liability or in the event of the disinvestment of the Public Sector Undertaking to the extent of fifty-one per cent or above."
