Subject: Payment of bills of Residential service Telephone connections in NCR

Madam

As you know that before Oct 2006, there was a provision in MTNL & BSNL that no payment of bill of service connections of either of the company will be paid to other company. But an unfortunate situation was created in Oct 2006 when it was decided that both the companies will have to pay bills of their service connections to other company. After that MTNL employees were asked to pay bills of their residential service telephone connections to BSNL and get them reimbursed from MTNL. Later on when it was opposed from different quarters of employees, MTNL & BSNL management formed a committee to decide the company to company payment. And it was also decided that till the outcome of committee, no service connection will be disconnected in non payment. Whenever we approached the then ED (OP) CO Shri K.C.Gupta who was also the chairman of the coordination committee of MTNL & BSNL to decide this issue, we were always told not to pay any bill for service connections till committee decides on this issue. But now officers residing in NCR are facing lot of problems. Some times service connections are disconnected in non payment. And whenever any employee wants to shift his telephone connection, BSNL asks for payment of bills, otherwise telephone connection is not shifted. There are some cases when officers want disconnection of their land line service connections in NCR to get dolphin service connection as per MTNL scheme, MTNL concerned office wants no due certificate from BSNL before providing dolphin service connection in place of land line connection in NCR. But BSNL wants all pending payments even for the period before Oct 2006 for giving no due pending certificate. Because of this complicated process, officers residing in NCR are facing lot of problem.

Therefore, in view of the above facts, we request your good self to decide this issue once for all and issue the clear instructions how to make the payment of service connections of MTNL working in BSNL to avoid any hardship to the officers residing in NCR.

With regards

Yours sincerely

(V.K.Tomar)
