NCOA is the national body representing executives of the Central Public Sector Enterprises. We have been instrumental in working with DPE and the pay revision committees in arriving at a Pay revision package for the public sector executives. We are also active in protecting the interest of PSEs by supporting all moves of Government in support of PSEs and protesting against the policies such as unjust disinvestment, FDI and privatization to cover up the fiscal deficit.</p> <p>We had frequent meetings in the past with the Heavy Industries Minister, Secretary DPE, JS DPE and other Directors on various issues. Some of these got settled, we believe that few are in pipe line and many are unresolved</p> <p>Sir, we have few issues which are unsolved. Our pay revision which was due with effect from 01.01.2012, though DPE has positively initiated the proposal, it is pending with cabinet secretary from Oct 2014. We request your kind intervention in getting the proposal approved.</p> <p>Further, we would like to meet you in person to discuss various other issues faced by the executives in public sector industry.</p> <p>Ensuring wholehearted support to you in all your initiatives to strengthen the Public Sector Industry,</p> <p>With warm Regards,</p> <p>Baby Thomas, Secretary General</p>
