**Subject:** Request for Relaxation of BTech Qualification Requirement for Deputation to DoT

Respected Sir,

I hope this letter finds you well. I am writing to bring to your attention an important issue regarding the deputation of SDEs to the Department of Telecommunications (DoT) and its field units.

As per the recent DoT letter No. 1-50(22)/2020-Estt dated August 8, 2024, the willingness and choice of place of posting have been sought from SDEs of MTNL who possess a BTech qualification and are interested in working with DoT and its field units. However, it has come to our notice that a significant number of experienced SDEs with qualifications such as B.Sc. or M.Sc. (Science Graduates and Postgraduates) are also keen on availing this opportunity and contributing to the DoT with their vast knowledge and experience in the telecom sector.

During the meeting held on August 22, 2024, you had kindly assured that all SDEs, irrespective of their qualifications, who are interested in going on deputation to DoT, would be allowed to do so. In light of this assurance, I humbly request you to kindly take up the matter with the DoT to seek a relaxation in the qualification criteria, allowing these experienced officers to apply for deputation opportunities.

Relaxing this qualification requirement will be beneficial not only to the individual officers, who will have the chance to further their careers and contribute to the growth of the DoT, but also to MTNL and DoT as organizations. These officers, with their deep understanding of the telecom sector, will undoubtedly bring valuable insights and skills to their roles within the DoT.

We are confident that under your esteemed leadership, this matter will be addressed favorably, ensuring that our officers are given the opportunity to serve and excel in their roles. We look forward to your kind intervention and prompt action in this regard.

With regards. Yours sincerely,

(V K Tomar)
