APPEAL FOR WITHDRAWAL OF NON COOPERATION MOVEMENT

A meeting with the representatives of United Forum and MTNL management in which Director (Finance), Director (HR), Govt. Director and CMD MTNL were present was held today 25th November, 2010. It was explained in the meeting that the case of payment of pension to the MTNL employees on the similar lines as that of BSNL employees is being pursued very vigorously by MTNL management with the DOT. The case has also been discussed and brought in focus at various levels in the Government. It is assured that both MTNL management and DOT will continue to pursue the case actively.

As you all are aware your Company is operating in a highly competitive environment with 10 operators in Delhi and 12 in Mumbai. Any continuation of the non-Cooperation will serve only to adversely affect the services and become counter productive. It will result in loss of market share and revenue.

Since the matter is already under consideration of Government and the case is under process to seek the approval of the concerned departments, I appeal to you to withdraw the non-cooperation movement in the interest of the Company as well as the service to the esteemed customers.
