Sub : Concessional Telecom facility to MTNL Retiree Officers/ Officials, whose PPOs have been delayed

As there is a delay in issuing of PPOs by the DOT for the retirees superannuated from 30th April 2014 onward, it is leading to disconnection of extended RSTC connection of superannuated employee.

In view of above, as an interim measure, the extended service telephone connection can be temporarily converted on request to retired Concessional telephone facility for retired employees of MTNL as per their entitlement (residing in MTNL service area and retired on 30th April 2014 onward)) till 30th September 2014 on production of relieving order on superannuation and two months' retention order of RSTC. In the mean time as and when PPO is issued by DOT, it shall be the responsibility of retired employee to get these converted temporary telecom connection regularized following the existing due procedure, otherwise the telephone will get disconnected on 01.10.2014.

The above order is valid for the retired MTNL employee superannuated on 30.04.2014 onward and, residing in MTNL service area after superannuation.

This has the approval of competent Authority.
