To,

The Dir. (HR)
MTNL, CO,
New Delhi.

Subject: - Forwarding of application of Civil Engineers on deputation to Delhi Metro.

Respected Sir,

Your kind attention is invited to the fact that Delhi Metro has advertised large number of Civil Engineers posts on deputation basis for its 3rd phase. Copies of advertisement are attached to the letter (email) for ready reference. It is learnt that Delhi Unit of MTNL is not forwarding applications of its employees unreasonably.

Since we are having a large pool of civil engineers stagnating and striving for their promotion in MTNL while building functions are shrinking in MTNL, we must consider forwarding the applications of MTNL Civil Engineers at top priority and may recommend to Delhi Metro for their selection en-mass. It will save MTNL at least 10 lakh per person per year.

If our civil engineers are selected in Delhi Metro, they will be trained not only in the latest technology but also learn the time and construction management skills cultured by Delhi Metro. It will certainly enhance the capabilities of individuals and MTNL both and would further help MTNL acquire external projects to earn revenue.

In view of above, it is requested that these advt. may be forwarded to Delhi Unit and put on website so that all those who wish to apply may do so.

Thanking you,

Yours faithfully,

Encl. Copy of 2 Delhi Metro notices
