Subject: Abnormal delay in payment of terminal benefits to the retiring employees and GPF withdrawal of serving employees.

Sir

It is very painful to see the retired employees running from pillar to post to demand the payment of their terminal benefits which they have earned by putting their whole service in this department. When an employee retires, he/she loses his/her more than fifty percent financial benefits, but one gets relief that he/she will get his/her terminal benefits, which were earned by putting in his/her golden days of life in the service of the department, on the day of his retirement.

But, when one comes to know on his retirement day that his/her gratuity, leave encashment and his/her own money of GPF is not going to be paid in many months ahead, then any one can understand that how painful one's retirement day may be and his/her stressful life till the payment of terminal benefits.

In MTNL, employees, retired many months before, are still running pillar to post to get their terminal benefits like gratuity, leave encashment and their own money of GPF, but are being denied in the name of non availability of funds.

Keeping in view the stress of the retired employees at the fag end of their life, we earnestly request your good self to release the funds to the Delhi and Mumbai units for the payment of terminal benefits and GPF withdrawal of serving employees.

With kind regards

Yours sincerely
