Govt of India, New Delhi

Subject : Heart felt gratitude of thousands of MTNL employees for recommendation of GOM to cabinet for deciding pension in MTNL by govt as in BSNL and BWA refund aiming the revival of MTNL.

Sir

I, on behalf of thousands of officers/employees extend sincere gratitude to your good self from the core of our hearts for taking important decisions of pension to MTNL absorbed employees by govt as in BSNL which was the long pending demand of 60 thousand serving and retired employees. We were fighting for our legitimate right for 13 years with out any positive result .For BWA refund also; we along with our management were raising this issue for last three years, because it was the prime issue which was affecting the financial viability of the company. But, when we came to know that GOM has been constituted for the revival of MTNL/BSNL under the chairmanship of your good self and these two issues are also the agenda point of GOM, we were hopeful that now a justified and viable decision will be taken on these issues under the chairmanship of our beloved learned and best economist Finance Minister of our great country. We wrote to your good self on these two important issues before the GOM meeting.

Now, we are very happy to see the recommendation of EGOM for cabinet to decide pension in MTNL to absorbed employees by govt as in BSNL and BWA refund after the surrender of spectrum. We are fully confident that your recommendation in your presence will be approved by the cabinet of India.

Public Sector Units are playing vital role in socio-economic development of this country and so there is a dire need to keep them in healthy condition to maintain the financial health of our country. These decisions in GOM have shown the priority of the govt to keep PSU alive in healthy condition

We see the bright future of our country in the leadership of learned personalities like you and hope that in your leadership our economy will grow faster than any economy in the world. We the employees of MTNL have full faith in our govt and assure our sincere efforts to improve the services of MTNL and to increase its revenue which in turn will contribute to the GDP of our country.

We once again thank to your good self on behalf of 60 thousand families of MTNL who will have secured pension because of your sincere efforts.

With Warm regards

Yours sincerely
