Subject: Recognition of Executives' Association in MTNL

Sir

In MTNL, absorption process of executives has completed long back, but we are still working with multi executives' Associations with out referendum for recognition of majority Association. In the absence of recognition of Executives' Association, many policy decisions related to executives remain unsettled for a long time because of diverse views of different Associations. Views of the executive Association on various matters related to the policies of the company regarding improvement of the services are also goes unheard. So, there is an immediate need of recognition of executive Association for which recognition rules are to be framed. BSNL has already framed the draft recognition rules of executives' Association and sought the feedback/comments of Associations for finalising these rules so that membership verification process can be started.

Therefore, in view of above we request your good self to frame the recognition rules for executive Association and start the membership verification so that a recognised Association can be decided in MTNL. (BSNL draft notification is attached for your ready reference)

With kind regards

Yours sincerely
