To

**Shri.Narendra Modi
Hon'ble Prime Minister of India.**

Respected and Dear Shri. Narendra Modiji,

The National Confederation of Officers' Association(NCOA) represents the 2.7 Lakh of Executives of Central Public Sector Enterprises of our nation.

We know that, as a person who believes in our tradition and its values, you have esteem regards to the Public sector undertakings which are the pillars of our self reliance. Even in the face of so many challenges, the overall performance of the PSUs as a whole is commendable as can be seen from the reports of DPE.

Sir, After you becoming the Prime Minister, we have written two detailed letters to you with few suggestions for the better performance of PSEs.

This letter is to bring to your kind attention and favourable decision with regard to the pay revision of public sector executives. Sir, the revision is due from Jan.2012 and the proposal for appointing third PRC(Pay Revision Committee) is believed to be in your esteemed office. A decision on this proposal will motivate the executives in the entire public sector industries and will in turn plug the flight of talented executives from public sector industry.

Sir, your emphasis on strong public sector units in Gujarat gives us great hope to revive state run companies which are sick rather than selling them off. We still remember the turning around of GSFC in 2003 when you gave a free hand to top bureaucrats in negotiating a turnaround without any political interference.

With due respect, best wishes and hopes,

Yours Faithfully,

Baby Thomas, Secretary General

K.Ashok Rao, Chief Patron. KSN. Raju and G.L.Jogi, Advisors
