K.L. Bhawan, N. Delhi

Subject: Regarding shortage of vehicle/Off roads of more than 100 departmental vehicles due to CNG requirement by the Transport Deptt., Delhi Govt.

Sir,

As you are well aware about the acute shortage of vehicles for the field officers, and, which has been, brought in your kind notice time and again that project/mtee. work is adversely affected due to this shortage. In addition to this, idling of more than 120 vehicles due to orders of Transport Deptt., Delhi Government for conversion of commercial Vehicles into CNG operated vehicles has further compounded the problem. As per the orders, no commercial vehicle can operate on Delhi Roads without conversion into CNG and due to this reason, more than 120 vehicles are off roads for a long time. This has resulted into a major problem, being faced by field officers, adversely affecting the day to day working in maintenance /project work in areas. Concerned GMs are pressing hard to the Field Officers to use these non-CNG vehicles, which is illegal and will attract heavy penalty. So it is urgently required to make alternate arrangement till these vehicles are converted into CNG.

It is therefore requested to take immediate decision on the subject in the interest of service.

With Warm Regards,

Yours Sincerely,

(V.K.TOMAR)
